C 1125

If the arm of King Henry I (1068-1135) of England had been 48 in long,  
the unit of measure of a "foot"  
today would be fourteen inches.  
But his arm happened to be 36 inches  
long, and he ~~had~~ decreed  
that the standard "foot" should  
be one-third that length = 12 in.

## ALBIGENSES

Derive name from ALBI, France.

Their exact doctrines have never been determined. Apparently they were branded as heretics by the Roman Church because they held views which were similar to those of the PATARINS in Italy, the BULGARIANS in France & other sects originating among Slaves in 11th Cen. The Albigenses believed in the MANICHAEN

It presented a large  
population in 1871. 1268 people  
now live here. Some  
old houses are still  
there (the old  
houses are now  
occupied by new  
people). They have  
a library which is  
open to all. There  
is also a post office  
and a school.
